The following application terms and conditions (“Application Terms and Conditions”) establish the eligibility requirements and related terms and conditions for an application to the Commercial Vehicle Efficiency Rebate Program (“Program”). The application shall be subject to approval by Climate Change Central. A completed application is not a guarantee of eligibility for a rebate under the Program nor payment of the rebate itself and is subject to the following Application Terms and Conditions.

1. Applicants must be valid Alberta companies or sole proprietors operating vehicles base-plated in Alberta.
2. Alberta companies must include their valid Alberta Business Number as part of this application. Sole proprietors must include their Social Insurance Number. Business numbers and SINs are recorded to ensure uniqueness of individual applications.
3. By submitting this form you are applying for fleet analysis at a reduced cost of \$200. Only 25 fleets will be awarded this service, chosen on the basis of application date and availability in applicable category. The program will accept applications from ten small fleets (classified as having 0 to 10 trucks), ten medium-sized fleets (11 to 100 trucks), and five large fleets (100 trucks or more).
4. By applying you are agreeing to participate. If chosen, you must provide basic fuel and operating information for analysis by E3 Fleet.
5. Climate Change Central makes no representation or warranty for the accuracy or content of the report generated by E3 Fleet.
6. In submitting this application, the Applicant consents to the collection and use, disclosure and retention of the personal information herein provided in accordance with these Application Terms and Conditions.
7. The Applicant consents to the disclosure of information to Climate Change Central and its contractors, employees and partners including but not limited to the Government of Alberta for purposes of eligibility verification, complementary rebates and possible issuance of rebates or services to the Applicant.
8. The Applicant consents to Climate Change Central using the information provided in the application to complete a follow-up survey of the Applicant to gauge the success of the Program and acknowledges that Climate Change Central reserves the right to conduct field inspections to verify fuel efficiency equipment and/or vehicles’ registration and compliance with the Application Terms and Conditions.
9. The Applicant consents to the retention of Applicant’s contact information for five years following which such information will be destroyed or made anonymous. Climate Change Central undertakes that the information provided in this application will not be sold or distributed for commercial or promotional purposes or financial gain.
10. Climate Change Central reserves the right to change or terminate the Program at any time without notice or explanation. Climate Change Central will use reasonable efforts to administer a completed eligible application received prior to such a change or termination of the Program in accordance with the Program as it existed effective as of the date of the completed eligible application.
